	Vanilla	Butterscotch
	Oak	Spicy Finish

Paul Jones, Jr., the founder of Four Roses Bourbon, became smitten by the beauty of a Southern belle. He sent a proposal to her, and if her answer were "Yes," she would wear a corsage of 4 red roses on her her gown to an upcoming ball. When she arrived, she wore the corsage. He named his Bourbon "Four Roses" as a symbol of his passion for the lovely belle, which transferred to making his beloved Four Roses Bourbon
